

Bob Earwood

Senior Vice President of Construction and Engineering Services

Bob Earwood, senior vice president of construction and engineering services, joined EdR in 2014. Bob's more than 30 years of construction experience within the hotel and collegiate housing industries began at Holiday Inns Worldwide and continued at Davidson Hotel Co., Inc. He was a key member of the design and construction team that developed the Hampton Inn, Crowne Plaza, Embassy Suite, Homewood Suite and Perkins Restaurant concepts. As senior project manager Bob was responsible for the oversight of new construction and renovations, and supervised the work of all architects, engineers, interior designers and purchasing professionals while also serving as key liaison to ownership and management teams. In 1992, he created Earwood Contractors. With more than \$275 million of construction and renovation developments, his company has worked on a number of collegiate projects at Arkansas State University and the University of Memphis as well as multimillion-dollar hotels, mixed-use facilities and other public buildings. A licensed general contractor, Bob is a member of the Construction Management Association of America and the American Society of Civil Engineers.
